CONTACT PERSON: Erica De Anda-Soltero Mgr. Child Service Manager - (620) 225-5177
erica@arrowheadwest.org
Krista Dawson, ECSE (620) 672-1005

SERVICES PROVIDED:

Developmental Screening

Our staff can provide a developmental screening with a scheduled appointment for any child birth-three years old. Areas screened include: Hearing Vision, Cognitive, Motor, Language, Social-Emotional, and Nutrition. We participate in local Count Your Kid In Screening Clinics throughout the year.

Developmental Evaluation

We provide a comprehensive developmental evaluation to determine the extent of developmental delay and if a child is eligible for our services. The evaluation will provide information to the family and referral source to help determine any needed programs. Children will receive this evaluation within 45 days of the referral date. Areas evaluated include: Health/Nutrition, Hearing (screen), Vision (screen), Motor skills, Cognitive skills, Speech and Language skills, Self-help skills, and Social skills. A referral from parents, physicians, screening clinics, or another service agency is necessary before an evaluation can be completed.

Family Services Coordination

All families eligible (through evaluation or established risk) for Early Intervention Services will receive coordination of all needed services for their developmentally delayed child. This service is available for English and Spanish speaking families.

Early Intervention Services

Qualified staff are available to provide Physical Therapy, Occupational Therapy, Speech and Language Therapy, Developmental Intervention and Family Services Coordination. These services are provided in a variety of settings, including home visits, daycare, play groups, and other community settings that support each family's daily living routine. Services help parents enhance their child's development, through family involvement and assist in transition to other programs for special needs children.

Assistive Technology

We have a staff available to help eligible children acquire and use specialized equipment or devices needed for optimal growth and development.

CRITERIA: Birth to Age Three - Eligibility determined through evaluation or established risk for developmental delay.

FEES: None

PURPOSE: The basic mission of early intervention is to provide the necessary services to enable young children who experience developmental problems to progress toward the maximum of their abilities. When these services are provided in a timely and appropriate manner, the need for further intervention can often be reduced or eliminated.

CONTACT PERSON: Jeanette Gaider

Hours: 1 to 5 p.m. Monday – Friday

Entities within the Hope Center include:

Agape Health Clinic: Free medical clinic for the uninsured, low income people of the Pratt area. The clinic is open once a month, October through May on the first Saturday of the month. Hours are 8 to 11 a.m. In June, July August and September the clinic is open on the first Wednesday of the month in the evening from 5 to 7 p.m. First time attendees are asked to bring proof of income and a photo I.D. The clinic is a first come-first serve basis. It is run by volunteer doctors, mid-level providers, nurses, office staff and other volunteers.

Paper Pantry: Supplied by the Episcopal Church – Karen Lemon, Minister. Families can come to the center and pick up a bag that contains paper products such as toilet paper, toothbrush, toothpaste, bath soap, dish soap, laundry soap, deodorant, a couple of razors, shampoo and various other items. This bag can be picked up four times per year.

Prescription Assistance Program: Sponsored by Pratt Regional Medical Center and the Pratt Health Foundation. Office hours are Tuesday, Wednesday and Thursday mornings from 9 a.m. to noon and Wednesday afternoon from 1 to 3 p.m. This service helps people of Pratt by working with physicians by ordering their prescriptions from the manufacturer at no cost or order from a mail order company at a reduced cost. The volunteers are Medicare trained to help people with their Plan D program selections and comparisons.

Emergency Food Bank: Sponsored by Bread of Life program. Food is given to our people that have either used up their number of times allowed at the Pratt County Food Bank or are from out of the county and are in need of food assistance. The hours are from 1 to 5 p.m., Monday through Friday.

Pass it Forward: Office is within the Hope Center. Pass it Forward accepts donations from people and passes it forward to people that are in need of the donation. Hours are Tuesday and Thursday from 1 to 3 p.m.

Bread of Life is currently serving Pizzas on Monday evenings and on Tuesday evenings. They serve a full meal for people of low income who cannot afford to provide a meal for themselves.

Hope Center: Sponsored by the Ministerial Alliance of Pratt County. We are the resource center of Pratt County. We have information on most of the companies and or organizations within Pratt and Pratt County that can answer questions for people regarding available resources. With the donations from the people of or community and the churches in our community, the Hope Center helps individuals with their utilities and other bills that they cannot afford to pay (one time per year). The Hope Center has a meeting room that is being used by various organizations within the community for their monthly meetings.

Salvation Army Funds are distributed from the Hope Center. Again, the center has only so much money to be given out each month from the Salvation Army Organization. People may come in and ask for help with utilities, medication, rent and some transportation.

Financial Aid: Through the Pratt Community College Foundation, Scholarships are offered to deserving students each year. Awards for academic scholarships are based on academic achievement as indicated by the transcript, grade point average, ACT scores and personal recommendations. Recipients must enroll in a minimum of 12 credit hours and maintain a specific cumulative grade point average to ensure continuance. Scholarships are also awarded to student athletes and students in performance areas such as music, theater, journalism and art. Service-area scholarships are available for part-time students in Barber, Comanche, Harper, Kingman, Kiowa and Stafford counties. The Pratt County High School Senior Grant provides tuition assistance to all Pratt County graduating high school seniors and the academic term(s) immediately following graduation. The grant will entitle the student to a maximum of \$300 per semester, not to exceed a total award of \$1,000.

PRATT COMMUNITY COLLEGE & AREA VOCATIONAL SCHOOL
Financial Aid (Cont)

The grant may be given for an academic, technical or health related program or for participation in an extracurricular activity or athletics. Students must maintain full-time status. Pell Grants and Student Loans are also available.

The Learning Center at Pratt: This is a unique program that allows students to receive their high school diploma from their sponsoring Pratt High School or Skyline High School. To be eligible for the program, a student must be 18 years of age and his/her high school class must have already graduated. Each student's program is individualized and tailored to meet the graduation requirements of their home school. The **Seniors for Credit** program is also for students missing one or two credits needing to catch up in order to graduate with their class. Classes currently meet Monday-Thursday 9 a.m.-9 p.m., Fridays 9 a.m.- 6 p.m. and Saturdays by appointment. Contact: Directors Deb McGreevey or Cindy Niederman at (620) 672-2800.

SERVICES PROVIDED TO CHILDREN, YOUTH AND ADULTS

NUTRITION - We have a number of pamphlets on feeding infants and toddlers a balanced diet. They get into specifics on when to start solid food, etc.

RESPONSIVE DISCIPLINE - We have some excellent material to help parents with this important issue.

STRONG WOMEN PROGRAM - This is a weight lifting program for women. Three groups meet at 10 a.m., 4:15 p.m. and 5:30 p.m. on Tuesdays and Thursdays. After training, some women are lifting at their home by themselves. Strength has a big impact on balance, independence, ability to do day-to-day activities, osteoporosis and general quality of life. New individuals can start the program at anytime.

LIVING WELL NEWSLETTER - This newsletter has up-to-date information on events and educational articles.

QUILTING FOR BOYS & GIRLS - A new summer program with the Recreation Department beginning in 2002. Boys and girls ages 9, 10 and 11 will meet for one week generally the second week in June and construct several quilting projects.

4-H AND YOUTH GROUPS - This is an opportunity for youth 7-19 years of age to come together to learn through project work with other youth. They not only learn about projects, but also leadership, citizenship, public speaking and how to organize and set goals. There are eight clubs meeting at locations around Pratt County.

PURPOSE: We are an outreach of Kansas State University for the purpose to take the University research and educate the public. We cover areas related to families and youth in the areas of child development, nutrition, food safety, parenting, financial management, food preparation and community development.

CHARGES: There are charges for some publications and some workshops. However, most of our services do not have a charge.

AGES SERVED: All ages

SERVICE AREA: Pratt County

E-mail: pchd@health.kscoxmail.com

PURPOSE: To provide health and environmental services that assist Pratt County citizens to prevent disease, maintain health, protect the environment and promote wellness.

CHILD CARE INFORMATION: Call Child Care Aware, @ 785-823-3343 and ask to speak with Kelly Cain–Swart.

IMMUNIZATIONS: The health department maintains an adequate inventory of childhood vaccines that are required for daycare, preschool and school entry. Wednesday afternoons from 1-4:30 is our walk-in clinic day. Other days and times require an appointment.

- DTaP (Diphtheria, Tetanus & Pertussis) 2, 4, 6, 12 months and 4 years of age.
- Hepatitis B The first dose is given at birth, 2 and 6 months of age.
- Hib (Haemophilus Influenzae Type B) 2, 4, 6 and 12 months of age.
- PCV13 (Pneumococcal conjugate Vaccine) 2, 4, 6 and 12 months of age.
- Inactivated Polio Vaccine (IPV) 2, 4, 6 months of age and a booster dose at 4-6 years.
- Rotavirus - The first doses are given at 2, 4, and 6 months of age (if needed). Your child must get the first dose of rotavirus vaccine before 15 weeks of age, and the last by age 8 months.
- Chicken Pox (Varicella) - The 1st dose 12-15 months of age and the 2nd dose 4-6 years of age. People 13 years of age and older (who have never has chickenpox or received chickenpox vaccine) should get two doses at least 28 days apart.
- MMR (Measles, Mumps and Rubella) - The first dose 12-15 months of age. Second dose 4-6 years of age. Some adults should also get a MMR vaccine. Generally, anyone 18 years of age or older who was born after 1956 should get at least one dose of MMR vaccine, unless they can show that they have either been vaccinated or had all three diseases.
- Tdap (Tetanus, Diphtheria and Pertussis) - One dose is given routinely at age 11 or 12 years of age. People who did not receive it at that age should get it as soon as possible. Pregnant women should get a dose of Tdap during every pregnancy, to protect the newborn from pertussis. Infants are most at risk for severe, life-threatening complications from pertussis.
- Td (Tetanus and Diphtheria)
Td vaccine can protect adolescents and adults from tetanus and diphtheria. Td is usually given as a booster dose every 10 years but it can also be given earlier after a severe and dirty wound or burn.
- HPV (Human Papillomavirus)
Routine vaccination is recommended for girls and boys ages 11 or 12 years of age. It may be given starting at age 9. HPV infection is easily acquired, even with only one sex partner. That is why it is important to get HPV vaccine before any sexual contact takes place. Also, response to the vaccine is better at this age than at older ages.

PRATT COUNTY PUBLIC HEALTH DEPARTMENT (continued)

- Meningococcal - Routine vaccination is two doses of MCV4 are recommended for adolescents 11 through 18 years of age: the first dose is administered at age 11 or 12 years of age with the booster dose administered at age 16.
- Hepatitis A - All children between their first and second birthdays (12-23 months of age). Children who are not vaccinated by 2 years of age can be vaccinated at later visits.

GENERAL HEALTH SERVICES:

Blood Pressure, Foot Care, Hemoglobin and injections prescribed by a physician or a mid-level such as a Physician's Assistant or Advanced Registered Nurse Practitioner. HIV/AIDS, Sexually Transmitted Infections (STI) counseling, testing and treatment are available with an appointment. Drug Screen collections are done with an appointment for businesses. Each business must have the collection kits for their employees.

WOMEN'S HEALTH SERVICES AKA Family Planning:

The Family Planning Program is viewed as a basic health service essential for the promotion of optimal family health throughout the life cycle. The program strives to improve the health of families through the advantageous timing and spacing of pregnancies.

Women are seen by a Registered Nurse and an Advanced Registered Nurse Practitioner. Education is provided to all women. HIV/AIDS testing and counseling is completed during each visit. The woman can opt out of the testing.

Oral contraceptives or Depo Provera are prescribed during this visit. Spacing of and the plan for children are discussed. The appropriate referrals are made if necessary.

OUR MISSION: YFC reaches young people everywhere, working together with the local church and other like-minded partners to raise up lifelong followers of Jesus who lead by their godliness in lifestyle, devotion to prayer and the Word of God, passion for sharing the love of Christ and commitment to social involvement.

SERVICES PROVIDED:

CAMPUS LIFE: Weekly meetings include lots of games, food, loud music, and lively discussions. Campus Life is an entry point for the unchurched youth, providing a place where they can come and be introduced to Jesus. Campus Life meetings are a safe place to learn responsibility, to think through important issues, and to develop quality relationships with peers and caring adults. This is a place where we can deepen our relationships with the youth and introduce them to Jesus.

MATCH MENTORING: Community based mentoring program for students 5th to 12th grade that are paired with a community member. Our mission through MATCH is to connect mentors with young people to cultivate a strong, discipleship relationship and to positively influence their lives; including their spirituality, lifestyle choices, and future decisions.

School Based MATCH: School based mentoring program available for 1st through 8th grade students. These students are paired with a high school student who will spend 30 minutes once a week during school hours. Mentoring pairs meet to build relationships, help mentees gain confidence, and improve overall life skills.

If you would like to refer a student to the program or are interested in becoming a mentor, contact Mentor Director Whitney Kregar at 620-546-4316 or Pratt Director Kelsie Nauman at 620-339-9008.

SERVICE AREA: Kiowa County, Pratt County and Kingman County.
